Common Questions and Misconceptions about the Examen de Ciudadania

It's important to note that USCIS announced changes to the civics test in late 2020, which were set to take effect in December 2020. However, in early 2021, USCIS announced that it would revert to the 2008 civics test version. Therefore, for the examen de ciudadanía 2022 en ingles y español, the 2008 version was the one most applicants would encounter. This means that applicants in 2022 were tested on the 100 civics questions and answers from the 2008 civics test. It is crucial for applicants to study from the correct set of questions to ensure they are adequately prepared. Relying on outdated information or materials from the brief period the new test was active could lead to mispreparation.
