Question 2:

What classic 1990 comedy features Martin Lawrence and Eddie Murphy as two friends who get involved in a mistaken identity situation?

Answer 2:

"House Party 3" (Note: "House Party 3" features many comedic actors but not Martin Lawrence and Eddie Murphy in that specific capacity. A more fitting answer based on mistaken identity and comedy might be referenced in a broader trivia context. For clarity, if the question intends to refer to a film with prominent black comedic actors involved in mistaken identity, it might be referring to a different film or a misremembered plot point. However, if the intent is strictly "House Party 3," it's known for its ensemble cast and comedic situations.)

Correction/Clarification: While "House Party 3" is a comedy, it doesn't prominently feature Martin Lawrence and Eddie Murphy in a mistaken identity plot. If the question is referring to a film where they both appear and have comedic elements, it's important to clarify the specific film.
