

night of broken glass

night of broken glass, known in German as Kristallnacht, marked a devastating turning point in the history of Nazi Germany's persecution

Frequently Asked Questions

What was the Night of Broken Glass (Kristallnacht)?

The Night of Broken Glass, or Kristallnacht, was a violent anti-Jewish pogrom that took place on November 9-10, 1938, throughout Nazi Germany and Austria, where Jewish homes, businesses, and synagogues were destroyed, and thousands of Jews were arrested or killed.

Why is it called the Night of Broken Glass?

It is called the Night of Broken Glass because of the shattered glass from the windows of Jewish-owned stores, buildings, and synagogues that were smashed during the violent attacks.

What triggered the Night of Broken Glass?

The assassination of German diplomat Ernst vom Rath by a Jewish teenager in Paris was used by the Nazi regime as a pretext to launch the coordinated attacks against Jewish communities during Kristallnacht.

What were the consequences of the Night of Broken Glass for Jewish communities?

The Night of Broken Glass resulted in widespread destruction, the arrest of approximately 30,000 Jewish men sent to concentration camps, significant financial penalties imposed on Jewish communities, and marked a major escalation in Nazi persecution leading up to the Holocaust.

How is Kristallnacht remembered and commemorated today?

Kristallnacht is remembered as a pivotal and tragic event in Holocaust history, with memorials, educational programs, and remembrance ceremonies held worldwide to honor the victims and raise awareness about the dangers of hatred and intolerance.
