Spiritual warfare refers to the ongoing conflict between the forces of good and evil, often perceived as a battle between God's kingdom and the powers of darkness. Derek Prince frames this conflict as a reality every believer must acknowledge to live victoriously. This warfare is not physical but spiritual, involving unseen realms and influences that affect human lives and societies.

The Nature of the Battle

The battle is fought in the spiritual realm, where demonic forces seek to oppress, deceive, and destroy individuals and communities. According to Derek Prince, recognizing the presence of these forces is crucial for effective resistance. The conflict is continuous and requires vigilance, as spiritual enemies use various tactics to undermine faith and obedience.

Spiritual Realities and Biblical Foundations

Derek Prince grounds his teachings in scripture, referencing numerous biblical passages that illustrate the existence and activity of spiritual forces.
