Chronological Reading Order

While the publication order is the default way to read the Catherine Coulter FBI series, some readers may prefer a strictly chronological order based on the timeline within the story world. The chronological reading order aligns the novels according to events and character progression within the FBI universe. This order can enhance understanding of the interconnected plots and character relationships.

In general, the chronological order closely follows the publication order with minor adjustments related to character backstories and overlapping events. For example, some short stories or novellas that provide background information about key characters may be inserted before the main novels. Unfortunately, Catherine Coulter's FBI series does not have many standalone novellas, so the chronological order is very similar to the publication order for the main novels.

Main Characters and Their Development

The FBI series by Catherine Coulter revolves around several recurring characters whose development is key to the story's appeal. The two main protagonists are Dillon Savich and Lacey Sherlock, both elite FBI agents. Their personal and professional lives intertwine throughout the series, adding depth to the crime-solving narrative.

Dillon Savich

Dillon Savich is a seasoned FBI agent known for his analytical mind and methodical approach to investigations. His character evolves from a solitary figure to a more open and emotionally connected individual as the series progresses. Savich's expertise in profiling and forensic science plays a crucial role in solving complex cases.

Lacey Sherlock

Lacey Sherlock is Savich's counterpart, a skilled and intuitive FBI profiler. Her strong personality and sharp instincts balance Savich's more reserved nature. Lacey's character growth includes her navigation of

personal relationships and leadership challenges within the FBI.

Supporting Characters

In addition to Savich and Sherlock, the series features a robust cast of supporting characters, including colleagues, family members, and recurring antagonists. These characters contribute to the intricate plotlines and add layers to the narrative, enriching the overall reading experience.

Spin-offs and Related Series

Besides the main FBI series, Catherine Coulter has written related novels and spin-offs that explore other characters and themes within the same universe. These include the "Intermix" series, which combines characters from the FBI series and her other popular "Historical" series. Readers interested in a broader scope of Coulter's work may explore these interconnected stories.

- **Intermix Series:** Features crossover characters from multiple series, expanding on FBI agents' backgrounds and personal lives.
- **Historical Romance Novels:** While not directly connected, these novels share certain thematic elements and occasional character references.
- **Standalone Thrillers:** Some standalone novels by Coulter complement the FBI series in tone and style but are independent in plot.

Tips for New Readers

For those new to the Catherine Coulter FBI series, starting with the first published novel, *Face of Death*, is recommended to fully appreciate character introductions and initial plotlines. The series can be read as standalone thrillers, but following the series order enhances understanding of character development and recurring story arcs. Readers should also be aware of the romantic subplots interwoven with the crime narratives, which enrich the emotional depth of the series.

Additionally, keeping track of the main characters and their relationships can help readers navigate the complex web of cases and personal dynamics. Utilizing a checklist or reading guide may be beneficial for long-term engagement with the series.

- Begin with *Face of Death* for proper context.
- Follow the publication order for best character development.

- Consider exploring spin-offs after completing the main series.
- Take notes on recurring characters and plot points.
- Enjoy the blend of suspense and romance unique to Coulter's style.
